ABOUT US

Embracing Values and Dedicated to Excellence.

One World Intellectual Property (OWIP), built upon Baianat Intellectual Property Group's established regional expertise, has rapidly emerged as a leading force in the Middle East and North Africa's IP landscape; With a vast footprint that spans over 20 operational offices across the region.

OWIP is establishing itself as a key player in the region, fueled by a combined expertise exceeding 50 years, our passionate team of IP specialists takes pride in its proven track record of safeguarding the intellectual property rights of a diverse clientele – both local and international. We actively invest in expanding our regional presence, ensuring you have access to essential IP services across these burgeoning markets. Beyond borders, OWIP's extensive network of trusted associates and agents in multiple jurisdictions empowers us to seamlessly navigate your global IP needs. Our unwavering commitment to excellence shines through in every aspect of our service, solidifying OWIP as your trusted partner in the dynamic world of Intellectual Property.
